**CENTRALLY LOCATED IN** South Australia's premium wine district of Coonawarra, lies Punters Vineyard Retreat. This architect designed award winning building was designed to highlight the picturesque location and provide sweeping views of the breathtaking vineyard studded landscape.

Punters Corner is a boutique winery and home to many awards including the 2000 Jimmy Watson Trophy. Wanting to have the opportunity to share what "we" locals take for granted, the vineyard operation expanded into accommodation to allow visitors to the area to sample a taste of what living in the 'lucky' country is all about!

“An **idyllic** getaway in the heart of Punters Corner Vineyards...”

An idyllic getaway in the heart of Punters Corner Vineyards, the Retreat offers serenity in a spacious environment.

Each bedroom offers panoramic views over the vines, sun-drenched timber floors, wall-to-wall glass and private entrances.

Both outdoor and indoor dining are options at the Retreat. Whilst the indoor dining area offers seclusion and sumptuousness, the outdoor area provides guests with a courtyard paved with river-washed pebbles and vines providing a sensual and seductive canopy.
